Getting involved   Living the Divine Life as prescribed by H.H. Swami Sivananda is more important that being a card carrying member. Active involvement in the various programs is key to gaining the benefit of being affiliated to the organisation. Formal membership is encouraged if you derive benefit. Anyone devoted to the ideals of truth, non-violence and purity can become a member of the Divine Life Society which is a non-sectarian institution, embodying in its wide perspective the common fundamental principles of all the religions of the world, and of spiritual life in general. The Society accords equal place of honour to all faiths and religious traditions, and its members recognize no distinction or disruptive sentiment on account of each other’s different traditional background, or religious affiliation, all which the principles and the philosophy and teachings of the Society do integrate. Through the pages of the various books and journals of the Society, what is endeavoured is to reveal the secret of spiritual action, namely that it lies in the Knowledge of the true Self and in the effacement and transcendence of the ego; and to present H.H. Swami Sivananda’s profound teachings that each soul is potentially divine and that everyone’s goal is to strive to manifest this divinity within by controlling the internal and external nature by ‘being good and doing good’. Anyone with the above ideals is welcome to become a member of the Divine Life Society.
